Whether you use a christening certificate holder, baptism certificate holder, or a spiritual cover, it's imperative that you protect your important documents. The maroon imprinted welcome folders with gold cross are a rich shade of claret red and designed to bring a touch of formality to the occasion. Our **custom church welcome folders** are made from sturdy and durable leatherette that is designed to last. The interior of our formal cover features two precious white moiré fabric panels that are designed to showcase your paper and hold it securely in place.
