Introduction of Leatherette Certificate Tube

Bulk certificate frames frames are an easy way to display your diploma, certificate, photograph, or document. The cheap diploma frames are paper cardboard construction, so it is cost-saved for your hard work earned awards. The professional golden foil stamping trim around the edge of each side will highlight your valued diploma. On the back of the frame, you will find an easel backer, it is ready to hang on wall or display your achievement on table horizontally or vertically. If you are boring a traditional American style leatherette frame, we are also able to design UK diploma frames with clear acetate sleeve protecting your award. We stock 5 regular colors for your choices, if you have any special requirement for the leatherette color, please kindly let us know, we will customize your own color. The viewable window size is about 8" x10.5" , a little smaller than the certificate size itself.

Shipping & Payment

Shipping Method: You can choose sea shipping, air shipping or express to deliver your cargo based on your specific need date.

Shipping Time: Express shipping is the fastest way to ship, but it is costly. If there is no tight schedule for the graduation ceremony, seashipping would be the best choice to save cost.

Trade Terms: FOB, CIF.

Payment Terms: We can accept down payment via bank transfer, the balance can be paid after we send the copy of bill of lading. Some customers like to use PayPal to get payment done that is also fine.
